

Nets/Locations

<u>Items</u>	<u>Field</u>	<u>Address</u>
Nets/Corner Flags	Kellogg	Hunt Family Home 674 Sutton
Nets/Corner Flags	Clear Creek	Shed at Clearcreek*
Nets/Corner Flags	Riverside	Shed at Clearckreek *
Nets	Julifs	Waldron Family Home 8108 Cabinet Circle

Return nets and corner flags immediately after your game as they are being used by other teams other fields at different times.

Nets will be left outside of the garage or house of the person providing the storage. Please do not call the individual unless it is absolutely necessary. Only pick up nets for the location for the correct field. Nets are NOT to be picked up early or kept after the game. Please pick up nets and corner flags just prior to the game and return immediately after to the same location. Please do not be responsible for other teams not having nets by either picking up early or not having them properly returned.

The only exception is if there is a game on the exact same field immediately before or after you. If there is a game before, you do not need to put up. If there is a game immediately after, you do not have to take down. **Do not assume there will be a game later in the day on the fields. If no game is starting immediately after the conclusion of yours take the nets down. Due to reschedules any game can be the first or last of the day on any field.** Nets are stolen if they are left up.

In the event of rain and games are stopped during play, please take the nets down and return them.

*The shed at Clearcreek is located at the far north end of the parking lot next to the turn around. The combination for the lock is 6602. Be sure to spin the dial when you lock the shed back up. You need nets in a box that you can stand on and 4 corner flags.
